

SEPTEMBER

What a GREAT start to our school year! I enjoyed getting to know each student and learning their favorite food, color, and toy. We talked about our classroom expectations, using kind words, asking for help and how to be a good listener and learner.

Our Focus

Our focus for September will be learning how to hold our pencils to begin practicing writing our names, answering questions after raising our hands, and engaging in circle time (learning letters, singing, asking questions and listening to our friends).

Reminders

- Please check your child's folder daily and collect all artwork and papers.
- **Please send in family photos for our family wall*

Upcoming themes

- Handwashing and germs
- Feelings
- Fall

Birthdays
