

SEPTEMBER

September has started off with a bang! Pete the Cat helped us welcome our new classmates and to get to know each other! We read lots of Pete books and played games like Find Pete's buttons and Pop, Pop Fizz Fizz, tell Pete what your name is!

This month we will focus on the shapes: circle, triangle and square. Our colors will be blue, red and yellow. We will chart eye color, sort shapes and learn how to estimate. Our sight words: it, the, blue, an, red, is and yellow. Letter recognition, formation and sound are for letters: Ff, Ee, and Dd.

Reminders

- Please check your child's folder daily
- *Please send in family photos for our family wall
- Please check the supply list in your child's folder to be sure your child has the appropriate supplies.
